## You will need;

Card/paper

Paint

Pens/pencils

Scissors

## Optional;

Other decoration

Googly eyes.

## Directions

- Do your handprint
- Draw, colour in and cut out the face shape– add eyes with extra paper.
- Once dry, add the face and cut around the handprint– be sure to add a point to the thumb to create a tail shape.
- Embellish with decorations if you wish.
