

# Pumpkin prints

## You will need;

Half an apple, orange paint, white card, green and black pens, hole punch, string and scissors.

1. Press your half of the apple into paint, cut side first

2. Stamp your apple onto the sheet of card, until the page is full. Leave to dry.

3. Once dry– use your green pen to draw stalks onto your pumpkins.

4. Draw faces onto your pumpkins using a black pen,

5. Cut out your pumpkins and punch a hole on either side of each one.

6. Weave the string through your pumpkins to create bunting– loop the ends.
