

# Spooky spiders and wicked webs

## You will need;

An egg box, black paint, goggly eyes, black pipe cleaners (x2 cut into quarters), glue, lolly sticks, white yarn, skewer and scissors.

1. Cut an egg slot from your box, paint black and leave to dry.

2. Once dry put 4 holes in either side of your spider body, push pipe cleaners through and fold the ends.

3. Stick eyes onto your spider and set to one side.

4. Lay your lolly sticks on top of each other and stick together.

5. Cut out your yarn to, glue to the sticks to make a web.

6. Cut a long piece of yarn, stick one end to the web and the other to your spider.
