

Handprint Christmas Tree

You will need;

White Card, Brown paint, Green paint, Yellow card, Glue, Paintbrush.

1. Paint your hand green and press it onto your card.– repeat until you have a tree shape

2. At the bottom of your tree add a trunk, let your tree dry.

3. Whilst your tree is drying, cut a star from yellow felt.

4. Once your tree has dried, glue your star to the top of your tree. You can add extra decorations if you like!
