

Santa jar

You will need;

Glass jar (with labels removed), Red Tissue paper, Black paper, Scissors, Mod Podge, Glue Dots, Small Black Buttons x2, ¼ of White or Gold Pipe Cleaner.

1. Cut your tissue paper into strips

2. Brush a thin layer of mod podge on the jar, cover in tissue paper, add another layer of mod podge to seal

3. Cut a long strip of black paper, when the jar is dry glue the belt about halfway. .

4. Bend your ¼ Pipe cleaner into a square and use the glue dots to stick it to your belt. This is your Santa's belt buckle.

5. Glue the pom poms onto your jar in a line above the buckle.

Extra: Why not make a snowman jar (white tissue paper) or an Elf Jar (green tissue paper)
