

Snowman

You will need;

White Card x2, Black Card x2, Orange Felt, Glue, Cotton Wool, Hole Puncher, String, Scissors, An Adult.

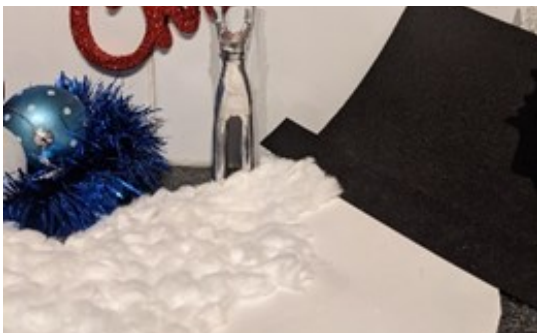

1. Cut 2 circles from your white card and stick them together to make a snowman shop.

2. Cut out a hat for your snowman from the black card and stick it to your snowman's head

3. Cover one side of your snowman in glue and cover in cotton wool—remember to only so the white card

4. Next cut out three small circles for your snowman's buttons and two more for your snowman's eyes from the black card and stick them onto your snowman.

5. Now cut out a triangle for your snowman's nose from the orange felt and stick this below your snowman's eyes.

6. Ask an adult to punch a hole into your snowman's hat and thread some string through to form a loop.
