You will need;

Card/paper

Paint

Pens/pencils

Scissors

Optional;

Other decoration

Googly eyes.

Directions

- Do your handprint

- Leave to dry

- Add detail of eyes, teeth and back ridges.

- Embellish with decorations if you wish.

You will need;

2 x Card tube

Card/paper

Way to colour in.

Pen/ pencil

Glue/ tape

Scissors

Optional;

Coloured card/paper

Other decoration

Pipe cleaner

Googly eyes.

Directions

- Colour in your card tubes.

- Cut out 2 long triangles and 2 strips for the legs from paper/card– colour in if necessary.

- Cut out a colour two small circles to make the eyes.

- We used a pipe cleaner to make the back of the crocodile, you can use paper or card if you don't have pipe cleaners– cut out a jagged strip and colour in.

- If using paint– leave to dry before assembling.

- Cut a mouth out of one tube using a zig zag motion to 2/3 of the way down the tube. Attach the 2 tubes together.

- Attach the eyes, legs and back ridge (paper or pipe cleaner) to the body

- Make the tail by attaching the 2 triangles to the inside of the tube, attach together to create a point.

- Embellish with decorations if you wish.

You will need;

Card or paper

Way to colour in.

Pen/ pencil

Glue/ tape

Scissors

Optional;

Paper plate

Split pin

Googly eyes

Glitter

Other decorations.

Directions

- Colour in the whole of the face (paper plate or a piece of card/paper cut to size)

- Cut out 2 small circles and colour to make eyes

- Cut out two jagged strips of paper to make the teeth

- If using paint– leave to dry before assembling.

- Cut the face in half and then to shape as shown above

- Glue on the eyes teeth

- If you have one you can use a split pin to make your crocodiles jaw snap, if not glue to whichever position you like.

- Embellish with decorations if you wish.

Crocodile

Crocodiles can grow over 7 metres!

They can live between 35 and 75 years

They can swim at 35 km an hour and reach 25km an hour on land

A group of crocodiles is called a bask or float
